The Governor's Office of eHealth Innovation invites health care professionals, medical providers, nurses, care coordinators, health IT professionals, other technology professionals, innovators and entrepreneurs, payers, consumers, social services, and other agencies and individuals involved in Colorado's healthcare ecosystem to participate in our

Colorado Health IT Roadmap: Public Forums

We **value your input and feedback** on the proposed **Initiatives** that represent the framework of Colorado's emerging Health IT Roadmap.

Please join us for **90 MIN** at one of these upcoming events:

HEALTH IT PUBLIC FORUM OBJECTIVES:

CONVENE

key stakeholders across Colorado's health and health IT/health information exchange ecosystem

COMMUNICATE

an overview of Colorado's Health IT Roadmap Initiatives

ENGAGE

in dialogue, get feedback on Roadmap Initiatives, and identify supporting activities

WHY YOUR INPUT MATTERS:

We'll weave your input and suggestions into the next version, which will go to our Working Group, then our eHealth Commission. The final plan will go to the Governor's Office for approval.
